Introducing Sutter County One Stop's New Webpage:

www.sutteronestop.com

Welcome to the **Disability Program Navigator Webpage** or **DPN** as it's often referred to. The DPN site has been created to assist those with disabilities and those that employ, work, or live with individuals with disabilities. We've broken the content down by whom it serves to make it simpler to find the information that your need. To mention just a couple of the topics, we provide information on

Services for Employers and Agencies:

As an employer you may have concerns or questions about subjects such as hiring practices, interviewing, ADA, and tax incentives. For more information on these and many more topics, please click the link below.

QUESTION

“Can I qualify for Social Security Disability Insurance (SSDI) after I turn retirement age (65)?”

Answer:

Social Security Disability Insurance (SSDI) benefits will end at age 65, and customary Social Security retirement benefits and Medicare benefits will begin. In general, the monthly retirement benefit will be the same as the disability benefit.
