Carl Furman
123 Ellis Street
Boston, MA 01234
(530) 456- 7892

Objective:

To provide care in an [adult home](#) or child daycare environment.

Skills:

Care-Providing

- Provided care for a paraplegic in a private home setting for five years.
- Maintained a daily log of all medication administered.
- Coordinated a biweekly story hour at two local [nursing homes](#).
- Delivered groceries to homebound seniors twice a week for two years.
- Administered medication.
- Acted as an assistant to seniors in wheelchairs through private and public transportation.

Communication

- Organized the care of an elderly relative within a nursing home for three years.
- Provided counseling to the elderly, clarifying their wants and needs.
- Improved communication with support services for an elderly couple in order to improve their quality of life.
- Organized a pet visiting hour by acting as a liaison between two nursing homes and the local animal shelter.

Planning

- Organized day trips to local museums, parks, and shopping centers.
- Developed calendar of monthly in house events for two nursing homes.
- Planned biweekly shopping lists for several elderly individuals according to their physicians' specifications.
- Organized successful "Friend in Deed" program in which mobile seniors visited the homes of their house-bound peers.
