Mr. Mike Manager
Human Resources Team Leader
Target Stores
1153 Butte House Rd
Yuba City, CA 95991

Dear Mr. Manager:

Thank you so much for taking the time to interview me today for the Stock Clerk Team Member position.

I felt a wonderful rapport not only with you, but with the entire Yuba City Target team. I am more convinced than ever that I will fit in superbly as a member of the team. My abilities to follow directions, work independently, and take initiative would contribute to the growth and success of your store.

I can make myself available for any further discussions of my qualifications that may be needed. Again, Mr. Manager, I very much appreciate you and your staff taking so much time to talk with me about this exciting opportunity.

Sincerely,

Will Worker
